PUBLIC NOTICE OF APPEAL

TO: All Interested Parties
FROM: S.C. Department of Health and Environmental Control
SUBJ: Stephen C. Carroll, OCRM-03-057-R
DATE: September 7, 2007

The Department has issued an amendment to the above referenced permit for a private, recreational dock at 1970 Sandy Point Lane in the Rivertowne subdivision in Mt. Pleasant, Charleston County, South Carolina.

Stephen Carroll has requested a contested case hearing before the Administrative Law Court.

Intervenors: A motion for leave to intervene, with the \$25 filing fee, shall be filed with the South Carolina Administrative Law Court, Edgar A. Brown Building, 1205 Pendleton Street, Suite 224, Columbia, South Carolina 29201, (telephone 734-0550) and served on all parties and shall state the grounds for the proposed intervention, the position and interest of the proposed intervenor, and the possible impact of the intervention on the proceedings. A proposed answer or position in intervention shall be attached to the motion.

Any person may intervene in any pending contested case hearing upon a showing that:

- (1) the movant will be aggrieved or adversely affected by the final order;
- (2) the interests of the movant are not being adequately represented by existing parties, or that it is otherwise entitled to intervene;
- (3) that intervention will not unduly prolong the proceedings or otherwise prejudice the rights of existing parties.

The motion for leave to intervene shall be filed as early in the proceedings as possible to avoid adverse impact on the existing parties or the disposition of the proceedings. Unless otherwise ordered by the administrative law judge, the motion to intervene shall be filed at least twenty (20) days before the hearing. Any later motion shall contain a statement of good cause for the failure to intervene earlier.

A person granted leave to intervene is a party to the proceeding. The intervenor shall be bound by any agreement, arrangement or other matter previously determined in the case. The order granting intervention may restrict the issues to be raised or otherwise condition the intervenor's participation in the proceeding. If appropriate, the administrative law judge may order consolidation of petitions and briefs and limit the number of representatives allowed to participate in the proceedings.

SPECIAL NOTES

***DMPs** Dock Master Plans - OCRM is reviewing the listed DMPs for planning purposes only. Permitting decisions will occur when future dock applications are processed by OCRM for individual property owners. This document is used as a planning tool it is not subject to the appeal. OCRM welcomes comments from the public on these planning documents.

****WMPs** Wetland Master Plans – OCRM is reviewing the listed WMPs for planning purposes only. Permitting decisions will occur when future applications are processed by OCRM, which include impacts to freshwater wetlands. This document is used as a planning tool; it is not subject to appeal. OCRM welcomes comments from the public on these planning documents.

*****SWMPs** Stormwater Master Plans – OCRM is reviewing the listed SWMPs for planning purposes only. Permitting decisions will occur when future applications are processed by OCRM. OCRM welcomes comments from the public on these planning documents.

******PERs** Preliminary Engineering Reports – OCRM is reviewing the lists PERs for the purpose of commenting to other sections of DHEC concerning this document. OCRM will not be issuing a coastal zone consistency certification at this time but providing comments. If this proposal moves forward to the permitting process, OCRM would at that time do a full coastal zone consistency review.

PERMIT APPLICATION PUBLIC NOTICE**

September 7, 2007

Permit Number: OCRM-07-218-E
Permit ID: 59907

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Dennis Bates
c/o Glen R. Gardner
PO Box 295
Charleston, SC 29402

LOCATION: On and adjacent to Martin Creek at 315 Martins Creek Lane, Beresford Hall Subdivision, City of Charleston, Berkeley County, South Carolina. TMS#: 268-10-01-009.

WORK: The work as proposed and shown on the attached plans consists of constructing a private dock. A 4' x 10' walkway will lead to an 8' x 8' pierhead. Floodside of the pierhead, a ramp will access an 8' x 12' floating dock. The purpose of the proposed activity is for private recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before September 22, 2007. For further information please contact the project manager for this activity, Bill Eiser, at 843-953-0237.

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Barefoot Partners, LLC
C/o DDC Engineers, Inc.
1298 Professional Drive
Myrtle Beach, SC 29577

LOCATION: On and adjacent to Salt Creek at the intersection of US Highway 17 and 48th Avenue South, North Myrtle Beach, Horry County, South Carolina. TMS#: 156-05-07-055.

WORK: The work as proposed and shown on the attached plans consists of replacing an existing vehicular bridge with a 38' wide by 120' long vehicular bridge across Salt Creek. The purpose of the proposed work is to improve the existing vehicular access to an upland area in a manner that improves public safety.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before October 7, 2007. For further information please contact the project manager for this activity, Steven Brooks at (843) 953-0235.

This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Claude W. Blanchard, Jr.
C/O McNair Law Firm, P.A.
100 Calhoun Street, Suite 400
Charleston, SC 29401

LOCATION: On and adjacent to a tributary of Penny's Creek at the intersection of Fenwick Plantation Road and St. Pauls Parish Lane in Fenwick Plantation, Johns Island, Charleston County, South Carolina. TMS#: 346-00-00-005.

WORK: The work as proposed and shown on the attached plans consists of constructing 33' wide by 570' long vehicular bridge across a tributary of Penny's Creek. The purpose of the proposed work is to provide vehicular access to upland areas under single ownership where access to public roadways is otherwise unfeasible.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before October 7, 2007. For further information please contact the project manager for this activity, Steven Brooks at (843) 953-0235.

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Hilton Head Public Service District
Attn: Greg Rushing, P.E.
21 Oak Park Drive
P.O. Box 21264
Hilton Head Island, SC 29925

LOCATION: On and adjacent to Mackay and Skull Creeks off of Highway 278 between Jenkins Road and Gateway Drive on Jenkins Island, Beaufort County, South Carolina.
TMS#: R501 006 000 0001 0000

WORK: The work as proposed and shown on the attached plans will consist of installing, by directional boring into Skull Creek, approximately 170' long 16" diameter outfall pipe to an 20' long outfall diffuser assembly consisting of a 16" diameter pipe and three 6" diameter tideflex diffuser check valves. The work will also include the installation of a 16" diameter outfall pipe by directional boring, under two wetland areas that cross under Jenkins Road. The purpose of the proposed work is to convey and discharge the concentrate waste stream generated by the water treatment process. **PLEASE NOTE:** This proposed project has been authorized under a Nationwide 12 permit by the U.S Army Corps of Engineers.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

Permit ID: 60333

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Alice L Fraser
51 Myrtle Island Rd
Bluffton SC 29910

LOCATION: On and adjacent to May River at 51 (parcel A lot 1) Myrtle Island Road, Bluffton, Beaufort County, South Carolina.
TMS#: R600-039-00C-0275-0000.

WORK: The work as proposed and shown on the attached plans consists of making additions to an existing private dock. Specifically, the applicant will remove existing boatlift and enlarge new lift to 13'x13' with a 3'x32' catwalk. The purpose for the dock additions is for the owner's private recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before September 22, 2007. For further information please contact the project manager for this activity, Geordie Madlinger at 843-846-9400.
